

Commitment Letter

The company (hereinafter referred to as the “Supplier”), _____, hereby declares that it will comply with *the Supplier Code of Conduct* (hereinafter referred to as the “Code”) enacted and implemented by Ganfeng Lithium Group Co., Ltd. and its subsidiaries (hereinafter collectively referred to as “Ganfeng Lithium”) and agrees as follows:

The Supplier understands that the Code encompasses content and standards in various fields such as social responsibility, occupational health and safety, environmental protection (*Focusing on enhancing energy efficiency, carbon footprint management, collaborating with Ganfeng Lithium to improve environmental performance and achieve sustainable development goals*), compliance and business ethics, and responsible sourcing. The Supplier commits to conducting all our activities in accordance with the laws and regulations of the countries/regions where the Supplier incorporated and operates and the provisions of the Code in order to assume greater social and environmental responsibilities and to meet any requirements detailed in the Code.

The Supplier agrees to support the Code and proactively align with the management systems and requirements stipulated therein to provide a humanized, safe, and green working environment.

The Supplier will also proactively extend its practices throughout the entire supply chain and require its own upstream suppliers to adhere to requirements that are the same as or similar to the Code.

Upon reasonable notice, Ganfeng Lithium shall have the right to conduct on-site audits of Supplier by itself or through engaging a third party to assess the Supplier’s compliance with this Code. Upon receipt of the relevant audit notice from Ganfeng Lithium, the Supplier shall fully and promptly cooperate in a timely manner, including but not limited to submitting relevant documents in both Chinese and English, and guarantee the authenticity, accuracy, and completeness of all data, information, or documents provided.
